WORK ON INNOVATION THAT HAS REAL WORLD IMPACT
#PGDAY1
FOCUSING ON INDUSTRIAL RECRUITMENT OF SCIENTIFIC TALENT (FIRST)
The FIRST program of its kind. P&G’s recruiting conference, FIRST, is the premier conference for outstanding doctoral and postdoctoral scientists. FIRST is a 3-day, all expense paid program for top Ph.D. students who are looking to gain exposure to the future of technology from an industry leading company. Meet and learn from some of our nationally awarded scientists and engage in real-world discussions on what companies are looking for in new employees, cultural and workforce diversity, and future innovation.

FIRST OF EVERYONE’S LIST
Leave with the opportunity to be considered for an on-site interview.

FIRST IMPRESSIONS
“As a graduate student and postdoc, this experience opened my eyes. It showed me that P&G believes in applying good science to develop and enhance technologies and products that have a direct impact in improving lives everywhere.” - Dr. Misael Aviles, P&G employee, conference participant.

WANT TO BE P&G’S FIRST CHOICE FOR CONSIDERATION?
P&G’s recruiting conference, FIRST, is typically held in Cincinnati, OH, during the 3rd week of September.

The FIRST Conference is primarily intended for doctoral and postdoctoral scientists from STEM disciplines who want to learn more about industrial research careers. Applicants must have a doctoral degree or expect to receive one within 9-24 months of the conference date. For maximum individual benefit, a limited number of applicants will be chosen to participate.
